

A diagram of a business card layout on a yellow and red striped background. The card itself is light blue. A dashed green line indicates the finished size of 85mm by 55mm. A solid blue line indicates the safe area. A yellow line indicates the bleed area. Scissors icons are placed at the corners of the dashed line. A grey box at the top left contains product information. Text boxes on the left describe the safe area, trim, and bleed. A red warning message is at the bottom left, and the fineline DESIGN logo is at the bottom right. Dimensions 85mm and 55mm are shown with arrows at the bottom and right respectively.

PRODUCT: BUSINESS CARD (LANDSCAPE)

Finished size: 85mm X 55mm

(Artwork size 91mm x 61mm including bleed)

SAFE AREA

Take care to ensure none of your important stuff encroaches into the safe area. Text and graphics placed too close to the edge look untidy and are at risk of being trimmed off.

TRIM

This dashed line indicates the document's finished size once trimmed.

BLEED

The area any background elements should cover if you want them to extend to the very edge of the page. We require 3mm bleed all round.

Please don't forget to hide these guides in the layers window!

85mm
